

The Unitarian Universalist Fellowship of Poughkeepsie (UUFP) Safe Congregation Policy

Purpose

To provide for the overall safety of all those involved with the Unitarian Universalist Fellowship of Poughkeepsie, including congregants, teachers, youth, employees, volunteers, etc. This covers not just personal relationships and interactions, but also the physical plant and use of the facilities.

Underlying Principles

Unitarian Universalists have a covenant with one another. Our covenant is not a creed. It does not dictate correct doctrine or belief. It does outline our relationship with one another. It is a voluntary and unconditional agreement to act in ways that express the values of our Unitarian Universalist Principles:

We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote:

- The inherent worth and dignity of every person;
- Justice, equity and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty, and justice for all;
- Respect for the interdependent web of all existence of which we *are* a part.
