

Why retreat?

Our retreat has become a time away, to be a church community in a different way than we normally are in worship and during meetings. New members and visitors can make great friends at these retreats, and our whole community gets reconnected in new ways. Pilgrim Point provides a great setting for rest and play, for worship and study, for conversation and community-building. It is about renewal—renewing our life together and our commitments as members and friends of the United Church of Christ in New Brighton.

Our church retreat is at a beautiful spot...

All-Church Retreat

August 21-23

Pilgrim Point Camp

in Alexandria, Minn.

Friday Afternoon — Sunday Noon Pilgrim Point Camp

At this year's retreat, we will explore the aspects of faith that stick!—the fun and the fellowship and the memories made that make for a faith that stays with you. At Pilgrim Point we immerse ourselves in the beauty of God's creation and the renewing

power of brilliant sunsets, loon calls, and the lap of the waves against Lake Ida's shore. As we retreat and reconnect with one another through late-night laughter, beach time, games, and campfire music, we will restore our faith in the power of being present with one another and with the holy in our midst.

Pastor Jennifer Jaimez of St. Mark's UCC and a few from her crew will be retreating with us again this year. We have had one planning meeting so far. If you would like to join the planning team, please let Amy know. Stay tuned for further announcements and details! **On the reverse side, there is a registration form; please fill it out and place it in the designated box in the office by Aug. 9.**
