Ministry Jottings: Which Daily Planner?

“Be glad that we belong to God. Let all who worship God rejoice. Go to the Lord for help and worship him continually.” – Psalm 105: 3-4 [Today’s English Version]

One of the challenges of our lives is to be organized, so we can “get it all done.” There are all different ways to organize and calendar our time – Alexa, writing it on a wall calendar, post-it notes, Goggle calendar, cell phone reminders, daily planner {hard copy or digital} – you get the picture.

Sometimes we need to be challenged not to “get it all done,” but to slow down and reflect on what it is we are trying to accomplish. We must be sure we are headed in the right direction with our families, our work, our church, our community and our personal lives. If we are not careful and prayerful, we may be spinning our wheels trying to go in directions which aren’t the most important directions to be going in anyway.

God has some things we are encouraged to keep on our “daily planner”. Here’s a few from the verses above and other verses in the same Psalm:

- Give thanks to the Lord
- Call on God’s name
- Be glad that we belong to the Lord
- Look to the Lord for help and strength
- Seek God’s face always
- Remember the wonders God has done
- Tell others what God has done

In Christ's grace,
Pastor Deb
