Cancellation Policy & Agreement:

The popularity of CFCI's Urban Plunge program is increasing. With our first-come, first served policy, reserving your UP weekend means that weekend is no longer available for other churches. Therefore, an additional non-refundable fee of \$200 will be accessed to any church/organization that cancels within 30 days of their scheduled Plunge. These terms are administered due to financial commitments we make on behalf of your team and our inability to replace your team on short cancellation notice. Thank you.

I, _____, agree to these terms and conditions.
