

ONLINE PHOTO DIRECTORY

The VCC photo directory will be accessible online through a password ONLY. Only members with a password will be able to view it. There also is an app for your smartphone to view the pictures and information. It is like carrying around the directory in your pocket. You may submit your own appropriate family picture or have one taken by our photography team. Please send photo to pastorallen@vcctulare.com . Please see Roger or Mike for a time slot to take a picture.
