FREQUENTLY ASKED QUESTIONS

When to Arrive: We recommend you arrive 15 minutes prior to service.

Registration/Security Check-In: When you first arrive, please come to the VRL KidMin Check-in kiosk located east of the front entrance or on the north side of the Children's Wing. Check-In Team Members are prepared to check your child into his/her classroom up to 20 minutes before the start of the service.

Enrollment Process: All first-time guests of Kid's Ministry are asked to register their children into our family-based check-in system. Our volunteers are available at the VRL KidMin Check-in kiosk in the VRL lobby and are happy to assist you. Based on ages and developmental stages, your child will be assigned and then walked to their classroom. You will be given a personalized security tag and your child will be issued a matching tag.

Where are the children's classes? As you come into the building, the children's wing is on the east side of the building. If you are visiting for the first time, check your child(ren) in at the Children's Check-in kiosk and one of our volunteers will direct you to your child's classroom. We have dedicated classrooms for: Infants, Toddlers, 2 year olds, 3 year olds, Pre-K, Kindergarten-1st grade, and 2nd-5th grade children.

How will you contact me if my child needs me? When you check in your child, you will receive a security tag with a number that is specifically designated to your family. If we need you for any reason, we will display your number on the screens located at the front of the auditorium. If you see the number, please visit your child's classroom. Please make sure to wear your matching security tag for the smoothest check out.

Will my child have the same teacher each week? Normally, yes. All of our classes have a Lead Teacher and at least one other Small Group Leader that are in the class each week, as well as the appropriate amount of help to maintain a pleasant and safe experience. Occasionally, the Lead Teacher may be out and a Substitute Teacher will step in.

How can parents get involved in their child's experience at church? We believe the best way for parents to be involved in what their child is learning is to become a part of the team that teaches them. There are opportunities to greet, teach, lead worship or help in many of the classrooms. We also send a weekly resource home to use as a family, and invite you to have a conversation with your child about the lesson. If you would like to serve please contact:
