

You are created to do great things

From making coffee to operating a video camera and everything in between, we have amazing opportunities for you to get involved, make a difference, and have the time of your life doing it. Volunteers are the backbone of everything that goes on at VRL and are essential to our success in fulfilling the mission that God has called us to in being and making disciples.

Take a look at the options on the following pages and find a place to serve this week! It's a decision you won't regret.

We also want to provide the opportunity to link your passion to serve with the strategy, purpose and vision of VRL through our DNA class. This class is offered on a quarterly basis on Sunday afternoons. Dates of upcoming DNA classes are advertised in the VRL Weekly, the Connecting Point and on our website at www.vrl.church. Sign up for the next class online, at the Connecting Point, or contact Sandee at sfranklin@vrl.church.

STUDENT MINISTRIES

Welcome to Student Ministries! Our High School Ministry (HSM) and Middle School Ministry (MSM) environments are created to celebrate life in a way that is fun for believers and welcoming to those who don't normally attend church. We offer an experience that allows students to worship God in a way that makes it easy for them to invite their friends. It's an engaging, fun environment that middle and high school students won't want to miss!

They'll love the upbeat atmosphere, zany games and energetic worship experience specially tailored to their age groups! After a message designed to help them navigate the exciting, yet awkward journey between elementary and high school and college, students will join a small-group to chat about lessons in life. Ultimately, they'll leave better equipped for another week of real-world challenges!

Committed volunteers are needed to invest in the lives of these students each week. If you want to be a part of this life-changing ministry contact:
