Village Creek Bible Camp is located in the Little Switzerland area of Iowa. Surrounded by rugged ridges, rock outcrops and tree-covered slopes, the camp provides a great environment for a week or weekend of great fun.

Directions from Lansing

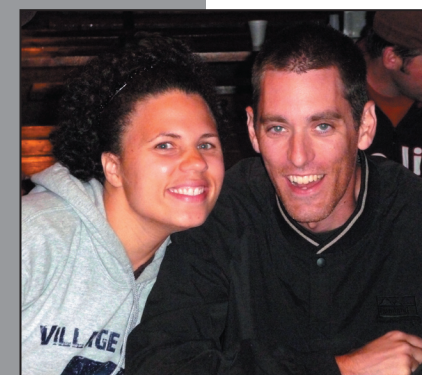

Follow the river road, along the railroad tracks, to the south end of town. Turn Right on X42. The intersection is across from a marina on your left. There is a sign for Village Creek at the corner on your right, but be careful to take the second right and not turn too early onto the road just before it. After 3 miles you will turn right onto Village Creek Drive. There is a sign on your right at this turn as well as a brick house. Follow the gravel for 3 miles, and then turn left on Drake road at the sign for the camp. As soon as you cross the bridge you will be on camp property.

Directions from Waukon

Hwy. 9 will intersect with Main St. at the town's only stoplight. Turn east (this is called E. Main or A52) and proceed 9 miles to the town of Elon (there are 4 houses and the speed limit is 45 mph). Turn left (north) on Drake Rd. (gravel) and follow it for 3 miles down to the camp.
