The Vineyard Free Medical Clinic

We are located in Sunbury, Ohio, just inside the Sunbury boundaries on the north side of Rt. 36/37. We are open to **walk-ins the 1st and 3rd Mondays of each month at 5 pm** unless it falls on a holiday. While we do check-ups, the Food Pantry is providing a soup kitchen and a bag of groceries. The clinic is staffed by licensed, volunteer physicians, nurses and others who are warmly welcoming to those who come to see us.

On the **3rd Monday of every other month** (December, February, April, June, August, October) we have a **Women's Clinic** by appointment (call 740-965-8888) for pap and breast exams.

We see the uninsured and folks who have Medicaid.

We see those who have:

asthma	depression	labs at Grady Hospital
back pain	dermatitis	minor burns
blood pressure problems	diabetes	minor injuries
bronchitis	ear infections	pneumonia
colitis	gastritis	pregnancy tests
common cold	headaches	short work & school physicals
conjunctivitis	infestations	stomach problems
constipation	influenza	urinary tract infections

We are not able to provide prenatal care, laboratory care on site, emergency or sexual assault services, STD diagnosis, Motor Vehicle Accident or Trauma care, acute psychosis, or psychiatric disorders, overdoses, narcotic or tramadol dispensing, or Social Security physicals.
