NEWSLETTER

SEPTEMBER 2018

Hello my friends. I pray your lives are full of God's Spirit and you are experiencing His great goodness.

Thank you for taking the time to read the newsletter. I hope it's a blessing to see what God is doing here in Macapá. For those of you that contribute to the ministry financially, I'm very grateful for your faithfulness.

This month there is a development I want to report concerning the new church. We are currently talking with the owner of the property where Christopher and Denise live. There is a building right next door. We are interested in using it for our new church. There is much to consider. Important decisions have to be made. We need to be wise and consider many things. We will see. Please pray for us!

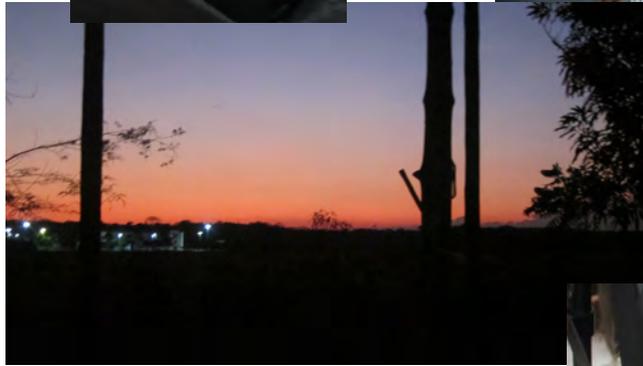

The photos below are from church services, during and after. This might give you an idea what "church" looks like here. The children's ministry is growing and volunteers are responding to this need. We have three home groups. A mixed group, a women's group and a men's group.

Our desire for these groups is to grow in Jesus, connecting with the Spirit and each other. My experience with home groups has been experiencing the Love of Jesus through his body of believers. I think it is vital for our church to grow in this aspect of community and to develop a culture that thrives in these connections. Developing this, being apart of this is exciting and difficult. I'm learning more about leadership and depending on the Lord. So, my first prayer request for this month is prayer for the development of our small groups.

These photos are from birthday parties. My friend Paulo's daughter. That guy in the green shirt below just turned 62! Little JT is such a delight. He's growing so fast.

Ok my friends, God Bless You!
Thanks for your prayers,
Bob Leshner
