CHURCH & MONEY

\$\$\$

Maybe that headline got your attention. Mentioning church and money in the same line usually brings some type of reaction one way or another. Just like any foundational topic of Christian living, we don't shy from teaching the truth that according to the Bible we all

should give an offering to God. We appreciate that many of you place your offering in one of our auditorium boxes or give electronically. We humbly take the responsibility seriously and always seek wisdom in how we utilize your offering. The truth is obvious that the level of our outreach is directly connected to our faithfulness financially. We appreciate what you've given and encourage continued faithfulness and growth in this area as we set our sights on ways to expand His work and reach more people both locally and beyond.

VISION BAND CD'S ARE AVAILABLE IN THE LOBBY

There are two CD's for sale in the lobby. The newest one available- "Faithful One" is only \$15. The CD- "Toby Newnum" is also for sale in the lobby for \$10. You can bundle both CD's and pay only \$20.
