Prison Fellowship's Angel Tree program is the only nationwide effort that specifically reaches out to hundreds of thousands of innocent children who carry the heavy burden of their parents' incarceration throughout the year. At Christmastime, Angel Tree introduces prisoners and their children to Jesus and brings healing and restoration to families destroyed by crime. Through the delivery of a Christmas gift and the Gospel given on behalf of the incarcerated parent, Angel Tree boys and girls are presented with Christ's free gift of salvation, feel loved and remembered by their parent, and experience the simple joys of the Christmas season. Angel Tree also provides ministry to the children through its summer camping program and promotes family reconciliation through discipleship and mentoring. Vision Recovery

Alcoholism, sexual abuse, and drug addiction: these are all issues that seriously affect many people in your church and community that a sermon or a Bible Study alone won't solve. However, there is hope and a way that the church can help the hurting move beyond their wounds to experience the healing liberty of Christ. This is Christian based 12-step program the helps heal the hurts, habits and hang ups of these issues. Sold No More is a Christ-centered ministry dedicated to proclaiming Truth that sets people free and being a visible manifestation of God's love and justice. Sold No More serves as a catalyst for engaging people (1) in doing justice—championing human rights—combating exploitation, abuse, persecution, and human trafficking, and (2) in demonstrating love to victims of such injustice. (3) Through prevention and education programs designed to raise awareness and minimize the number of victims. (4) Through support of laws and law enforcement activities that protect victims and bring perpetrators to justice. (5) Through ministering to the physical, emotional, intellectual and spiritual need of victims. (6) Through partnering/networking with other like-minded organizations and agencies.
