PASTOR STEVEN FURTICK ELEVATION CHURCH
AUGUST 4&5, 2018

PHILIPPIANS 1.12-14

Now I want you to know, brothers and sisters, that what has happened to me has actually served to advance the gospel. As a result, it has become clear throughout the whole palace guard and to everyone else that I am in chains for Christ. And because of my chains, most of the brothers and sisters have become confident in the Lord and dare all the more to proclaim the gospel without fear..'

TEACHING NOTES

MAYBE GOD'S TRYING TO TELL US SOMETHING

I have been working on a new teaching series called "ACCELERATION" and Part One will be called TRACTION.

It's basically about making sure that we all

PURSUE THE RIGHT PURPOSE.

Last week in Pastor Craig Groeschel's video message, his first point was about

CLARIFYING YOUR CALLING.

Today we hear Pastor Steven Furtick teaching that life is about

PURPOSE, NOT PREFERENCE.

When I notice a reoccurring theme popping up, I get the idea that maybe God is trying to tell us something. That's a good feeling.

I love Pastor Steven's perspective on chains and am excited to present this teaching.

God's *always* trying to tell us something.

I know this teaching is gonna be helpful for many of us.

I hope you come back next week for Part One of ACCELERATION
