JOHN14.22

Judas (not Judas Iscariot, but the other disciple with that name) said to him, "Lord, why are you going to reveal yourself only to us and not the world at large?"

WHAT WE THINK WE WANT IS OFTEN

GOD CARES ABOUT _____ NOT _____

WE WERE DESIGNED TO _____ NOT _____

JOHN12.24&25

I tell you the truth, unless a kernel of wheat is planted in the soil and dies, it remains alone. But its death will produce many new kernels – a plentiful harvest of new lives. Those who love their life will lose it. Those who care nothing for their life in this world will keep it for eternity

vision TEACHING NOTES

FROM MY NOTES...

Next weekend is Easter. Most likely you'll be around people who have at least given it some thought that they should go to a church on Easter. Invite them.

We aren't trying to set attendance records here. (God has shown me that I need to get over that.) We simply believe in God's design – that it is good for us to gather together for this joined experience of community, music, learning, food, laughter, encouragement and support. It's good!

Make some invitations or suggestions this week to people around you who are more inclined to try a church this coming weekend. It doesn't have to be Vision, but if you do invite them here, we'll work together to help them see who Jesus really is in an environment that's engaging and helpful.

Thanks for coming to Vision this weekend. See you on Easter!
