Students/Parents: for information on the Malone Campus and/or contact info go to <http://mycyf.com> and click on LOCATION. (a campus map can be found on that page) Students will stay in DeVol Hall. Worship & Classes take place in the Johnson Center.

Jen & Tim will be on site of CYF all week. Our contact #'s are 330-904-6403 (tim) 330-904-0980 (jen) Text/Call if needed. I will also have access to my e-mail: [tim@wadsumc.org](mailto:tim@wadsumc.org)

**LEAVE:** Meet @ the church on JUNE 18th @ 1:15PM. Jen and Tim should be able to CARPOOL us all down to Malone. Allen Drown will also be assisting in carpooling students. We MAY need one more driver. If any CYF parents are willing/able to drive down to drop off students, please let me know ASAP. It's about a 30 minute drive.

**Students: If you want - bring \$\$\$ and we'll stop at Starbucks on our way down (optional)**

Since Jen and I are part of the CYF Executive team we will be getting there a little early so that we can do final set up. You'll be some of the first students on campus and will have a little time to hang out before registration begins.

**RETURN:** CYF ends SAT morning, June 24<sup>th</sup> at around 11am. If students want to wait around for Jen and Tim, we can all CARPOOL back to Wadsworth UMC together. Again, we might need a parent to come down and assist with transportation back to the church. **Students can text/call parents to give an estimated arrival time back at the church.** Once we check out of the dorm and take care of final clean up, we should be on the road home by Noon-ish.

CYF does have a VISITATION NIGHT: it will be Monday night, 7:15PM Worship in the Johnson Center Chapel (the Malone entrance off of Cleveland Ave. in Canton)

## MATERIALS:

BIBLE

PEN

## CLOTHES:

CASUAL CLOTHES FOR THE WEEK Nothing inappropriate, duh. Include clothes for recreation/fun activities in the afternoon.

Comfortable shoes, flip flops, etc

You may want to bring an old pair of shorts and shirt for one of the afternoon activities because you'll potentially get muddy or covered in paint. (CYF has a mid-week 'paint war' – much like the 'color run' events where students will get covered in chalk-like paint).

Dress up clothes for FRI NITE dinner (it is a tradition that guys and girls dress up for Friday nite)

## BEDDING:

SLEEPING BAG/SHEETS/BLANKET

You'll be sleeping in a dorm room with twin beds. You can bring a sleeping bag or you can bring sheets. It's up to you. PILLOW

*(continued)*

**FOOD:**

SNACKS for the dorm are optional There also may be a vending machine. Sometimes, students pitch in \$\$\$ to order a pizza in the evening. That is optional.

All meals are served in the Cafeteria. There is a variety of food options each day. Pizza, salad, lunch-meat sandwiches, pasta, bagels, main dish, etc. So your major food needs will be covered.

**TOILETRIES:**

Whatever you need for the shower. Toothpaste/brush, etc. Deodorant (especially if you are a smelly guy). Bring a towel! (you may also want to bring a plastic bag to put your wet towel at the end of the week).

**MEDICATIONS:**

We have a camp nurse on staff with us for the entire week. Any medications will need to be given to her at the start of camp. Students are responsible to see her when meds need to be taken.

**DEVICES:**

You may have your iPhone or iPod or Cell phone. We will restrict phone usage to specific times. You may desire to use your phone if you have the Bible App or something similar for devotion time or class time – but use it only when necessary. Also – don't leave devices just laying around. Be wise!

Note: You 've probably received a handful of 'Balance Due' statements from the Camps office. Continue to IGNORE these letters. Wadsworth UMC will pay the balance for each student just prior to CYF. Be patient!

**Any questions? Call or Text TIM.**
