Mission Outreach Opportunities

You see that faith was active along with his works, and faith was completed by his works. —James 2:22

What do we do?

- We are committed to help those in Wadsworth who are in need of home repairs.
- We are working to make homes safer, drier, and warmer. Cosmetic fixes will not be approved
- We can do all sorts of jobs: drywall, flooring, roofing, painting, yard work, etc.
- We provide manpower and/or building supplies.

Who will we help?

- Anyone who has a need to make their home safer, drier, or warmer.
- Anyone who may not be capable or be able to afford the needed repairs.

When do we do this?

- The second Saturday of each month for larger projects and for smaller projects, the day will be scheduled between volunteer and homeowner.

Why do we do this?

- Because God calls us to “serve one another with love”. (Galatians 5:13)
- Because so often we serve those in far away places, but we can’t overlook the need of our own community.
