

There are certain qualities necessary to nurture and encourage unity. Take a read below and ask the Lord to help you be a person who is bearing this kind of fruit.

## **Fruit of the Spirit (The Message)**

*But what happens when we live God's way? He brings gifts into our lives, much the same way that fruit appears in an orchard—things like affection for others, exuberance about life, serenity. We develop a willingness to stick with things, a sense of compassion in the heart, and a conviction that a basic holiness permeates things and people. We find ourselves involved in loyal commitments, not needing to force our way in life, able to marshal and direct our energies wisely.*
