

Imagine you are on a journey for a king. This is a king you love deeply and he has given you the greatest mission he could give anyone. You set sail on a large beautiful ship. You look around and are amazed that the king would choose you for this mission and allow you to do it on such a beautiful day. There are blue skies, light winds, and plenty of sunshine for you to enjoy.

Suddenly, dark clouds appear on the horizon. The sailors around you begin to panic at the sight of the storm that is coming. Soon the waves begin to rock your boat, and you have to sit down so you don't fall over! The storm hits with the ferocity of a lion. The ship is shaken and battered so badly that you fear it might break apart!

This is just one of the many adventures in the life of the apostle Paul. God choose a man who hated Christians to be one of the greatest influences for Jesus Christ in the world. Join us at camp this year in following the life of Paul and his many crazy adventures! Paul's life was never boring! He was shipwrecked, beaten, worshipped, and much more in his efforts to bring the good news of the gospel of Jesus Christ to those who did not know Him. And, God has called YOU to do the same! So let's find out how!
