

## November 2012 NEWSLETTER

Dear Families,

November is the time that we reflect on all our blessings and being able to love your children is one of my greatest blessings. Thank you for allowing my staff and I to love and spend time with your children! I would like to apologize for not having a September or October newsletter, time just seems to fly. My plan is to print a newsletter once a month to share information.

Besides being behind in the newsletters I am also trying to play catch-up with my paperwork, so I may be stopping you in the hallway to bring yours' current, thanks in advance for your patience.

*If you ever have any questions or concerns please do not hesitate to talk to me in person or call me at 541.580.5450.*

*Director Kathy*
