

BOY SCOUT TROOP 141

As part of Wesley's ministry to youth, Troop 141 provides a great scouting experience for Charleston-area boys ages 11 through 17. The troop has been designated by the Boy Scouts of America as a Quality Unit each year since chartering at Wesley UMC in 1999.

The troop meets on the second and fourth Monday of each month at the church. Weekend outings such as hiking, camping, caving and canoeing are held monthly. Visitors are always welcome, and there is always room for a new youth member or adult volunteer.
