FROM THE PASTOR...

PARENT SUMMIT – FEBRUARY 23rd

Last Sunday I wrote about the Summit in my article and mentioned from the pulpit how important I felt it was. Well, something happened. Last week one of our families came to me and said, “Pastor, we aren’t going to be able to come because we have to be out of town, but we think this is critically important for families. We want to pay for everyone that attends!” The Parent Summit has become absolutely no charge for everyone. However, you must come in order to be free! You have to register for the conference and pay the $15 registration fee. At the conference on the 23rd we will refund everyone’s fee. You can’t beat that deal! Free childcare is also available by reservation. Call Kerrie at 936.521.1659 or email kerrie.jozwick@wcbc.us, or sign up in The Crossing today!

“The Bible” Miniseries – March 3, 10, 17, 24, 31

On each Sunday evening in March, the History Channel will present a two-hour miniseries on the Bible beginning with Noah and Abraham culminating with the death, burial and resurrection of Jesus on Easter. Each segment is a dramatic presentation of that portion of the Bible and is biblically accurate. I am going to be preaching a sermon series in March that will correspond with each segment. I think this can be a valuable time in two ways: 1. It puts the majority of the Bible together in story form that we can understand it better; 2. It can be a great outreach tool if you would like to plan a “Bible Movie Party” in your home for your neighbors. You will be seeing more information in the near future.
