**Ricky Beach: founder of WhiteStone Ministries**

Ricky has been ministering for Christ his entire adult life, mostly in prisons and in the inner city. He is the founder of WhiteStone Ministries, a non-profit organization serving the poor and incarcerated in Kansas City and the surrounding area. Through his ministry, Ricky has seen many examples of men whose lives have been dramatically transformed by the gospel.

**Kevin Wade: NE/NC Kansas Fellowship of Christian Athletes Area Director**

As a young man, Kevin was a member of a family who was, in his words, 'doing a great job holding down the pews' at their church. Things changed after his father, a high school football coach, attended an FCA summer camp where God got a hold of his life like never before. First in his father, and now in coaches and leaders across Kansas, Kevin has seen the impact of men who are willing to take a stand for Christ.
