GROW GROUPS SPRING SUMMER 2017 CATALOG

PASTORAL MESSAGE

Greetings in the name of our Lord and soon coming Savior. We are so grateful to God for our many blessings to each one of us and how He allows us daily to grow spiritually in grace and in love. We also thank God for each one of you and your support of God's work in His church.

If you are looking for a way to grow spiritually, and I believe we all have room for growth, then I invite you to take some time to look through our Grow Groups Catalog and find a group or groups that may be of interest to you. I firmly believe that one of the best ways for us to grow in Christ, is doing it together. This is why I invite you to join one of the many groups here at West that will help you to that end. It has been said that, "We may not have it all together, but together we have it all." When you have the Lord and you have each other, what else do you need?

Some of our Grow Groups at West are ongoing and some go for a few weeks; this allows you to have a break, or join another group that interests you. One thing is certain, when you join a Grow Group and grow spiritually with other believers, you build relationships, you see God at work, and you have more friends to lean on!

Also, if you have a desire to lead a group and you have an idea or are passionate about seeing that group grow at West, let us know and we will work on getting your group added the next time around!

So, look through the catalog, pick a group or groups you'd like to join, then visit our webpage at <http://www.houstonsda.org> and sign up! Go, be blessed, and "find friends who inspire growth as iron sharpens iron!" (Proverbs 27:17).
