## Westminster Preschool Families

Paden has been at Westminster Preschool for the past two years. He was enrolled in the 3 year old program with Ms. Susan and he is currently in the 4 year old program with Ms. Heather. I did a lot of research before enrolling Paden and found Westminster Preschool was the perfect fit for our family. I was concerned about Paden's social skills, some motor skills and his attachment to me. Once enrolling Paden and school began, his difficulties became clearer. With the help of Ms. Susan, Ms. Heather and the staff at Westminster Preschool, we are now on the road for a bright future for Paden. The teachers show so much patience and love for not only Paden but for all the children. Paden has now become more social and is showing great progress every day. He is excited to go to school and see his friends and of course, his precious Ms. Heather as he calls her. Our family is so thankful for the love and support that we have received that I would highly recommend Westminster Preschool to anyone with a child getting ready to start preschool.

Enroll for fall now at Westminster Preschool. For more information and a registration form email [linda.mullenex@wpcbluefield.com](mailto:linda.mullenex@wpcbluefield.com).
