The Mission 1433

Our Events ... A brief Description

A Pale Reflection of a Greater Glory – Do you have any artistic talent? Drawing, photography, movie making, singing, spoken word. Share it with Richie by June 26th.

At Home Missions Week – July 10th – 18th we are going to do some missions work in the Godfrey and Alton area. Come to Big Group on Wednesday 10th and 17th where Richie will teach about Jesus' heart for the poor and disadvantaged. Then be willing to get your hands dirty and minister alongside each other as we serve local ministries, The Salvation Army, The Hope Community Center and Options Now.

Illiana Presbytery Youth Camp – Join us at our week long youth camp for students in 3rd – 12th grades. We will learn about Jesus and worship with other students from churches in our Presbytery. Cost $175

Fall Kick-Off – Join us for a extended time of singing, games, prayer, lunch and looking forward to what the Lord is going to show us about who He is this upcoming school year.
