Do Nothing...

“Do nothing out of selfish ambition or vain conceit, but in humility of mind consider others more important than yourself. Do not look out for your own interest, rather look out for the interest of others.
Have this mind in yourself which was also in Christ Jesus”
Philippians 2:3-5

Have you ever put yourself out there... I mean really done something for someone and instead of appreciation found either indifference or rejection? If not, just imagine such an event. How do you respond?

Have you ever done something with the best of intentions and your actions or motivations been called into question? How do you respond?

Have you ever worked hard on something or with others and found that sometimes there is constant conflict or problems? How do you respond?

Have you ever thought about quitting? Have you ever quit? Paul wrote the words above to a church that was in the midst of a struggle. Instead of just writing about behavior Paul wrote about the heart of the matter. When we do these simple, not easy, important, Jesus kind of things the situation is changed – consider others more important and look out for the best interest of others.

When we have the mind or attitude of Jesus everything changes! He was despised. He was rejected. He was misunderstood. He was ignored. He was taken for granted. He still came. He still loved. He still served. He still died.

Have this mind!

Surrender

*"Come to me all who are weary and are carrying
heavy burdens, and I will give you rest"
Matthew 11:28*

Bruce Larson, in his book *Believe and Belong*, tells how he helped people struggling to surrender their lives to Christ:

"For many years I worked in New York City and counseled at my office any number of people who were wrestling with this yes-or-no decision. Often I would suggest they walk with me from my office down to the RCA Building on Fifth Avenue. In the entrance of that building is a gigantic statue of Atlas, a beautifully proportioned man who, with all his muscles straining, is holding the world upon his shoulders. There he is, the most powerfully built man in the world, and he can barely stand up under this burden. "Now that's one way to live," I would point out to my companion, "trying to carry the world on your shoulders. But now come across the street with me.

On the other side of Fifth Avenue is Saint Patrick's Cathedral, and there behind the high altar is a little shrine of the boy Jesus, perhaps eight or nine years old, and with no effort he is holding the world in one hand. My point was illustrated graphically".

We have a choice in life. We can carry the world on our shoulders, or we can say, "I give up, Lord; here's my life, I give you my world, the whole world.
