8. What will our lodging be like?

Lodging will be in Averette University dorm rooms (2-4 per room, bath shared with room next door). Guys will be in one dorm building / floor, girls in another. School should be air conditioned but we've run into some problems in the past. You may want to consider bringing a fan.

9. What will the meals be like?

Breakfast and dinner will be prepared by Averette University cafeteria staff (think EXCELLENT food!!!). Lunches will be prepared by local churches and delivered to the job site.

10. How will my group be divided during the week?

The IV staff will assign each person to a work crew of 8-10 students. At least two students from Westwood will be together on a crew. The staff makes every effort to avoid placing siblings or parents in the same crew. Each crew will be assigned to a job site with appropriate adult leadership at each location.

11. What are the work projects like?

Work projects are home repair / reconstruction. Projects include painting, landscaping, general carpentry, reconstruction, repair and roofing. Each work crew consists of 8-10 students with adult supervision as well as a qualified construction crew chief on each site. For information...rising high school freshmen or above can go up on roofs. Only caveat is that anyone on the roof under age 18 MUST WEAR LONG PANTS. (Apparently we don't care what folks over 18 are wearing (??)).

13. Emergency Contacts?

We'll have a final contact list available in the week before we depart. Copies will be available at our departure gathering.

IMPACT Virginia! Frequently Asked Questions

1. What is Impact Virginia?

Impact Virginia is a coed youth missions opportunity involving teenagers in “hands on” ministry projects in Virginia. Baptist youth from across the state join forces to make an impact on local communities through a variety of ministry projects focusing primarily on home repair and reconstruction needs of low-income, elderly, or special needs families. Each Impact Virginia session involves from 150 to 300 youth assigned to work teams of 8 - 15 persons. Participants work all day on their sites under the supervision of qualified construction coordinators and other adult leaders. Impact Virginia! works with local housing and social service agencies and Baptist Associations to designate priority housing needs. Work includes painting, roofing, cleaning, interior/exterior renovation, and general carpentry.
