Preschool Dept. Announcements

- Praise God! Saturday we had an appreciation/training for our Sunday School teachers and paid workers. It was such a blessing and encouragement to spend time with these adults that have such a heart for our little ones. I am so thankful for each one of them.
- At this time we will be holding off on opening up another Sunday School class. The classroom sizes have not been as large as they were at one time, and through much prayer God has showed me that this is not the season for a new class. That does not mean that in the future the need might arise again, but we are going to hold off for now.
- We now have 5 paid workers, which is a huge blessing! We are still looking for another paid worker to work with the pre-k class during Worship Through Caring and a full time worker for the Lambs Class.
- We have different volunteers in each classroom every Sunday. It is sometimes hard to know whose things belong to whom. If you could please label all of your child's belongings that would really help the workers and volunteers make sure everyone get home with their own belongings.
- We are still in need of a few more volunteers to be on the rotation to help in Worship Through Caring during the second service. If you are not already signed up and you would like to find out more about how you could be involved in this growing ministry, please see Melissa.

A couple reminders:

- Please remember to sign your child in on the sign-in sheet each Sunday and sign them out when you pick them up. Also check and make sure all your information is correct on the sheet, and let us know if there are any corrections that need to be made. This helps us keep better track of each child.
- The teachers and workers have been instructed to only send the children home with their parents, unless you give them other instructions. If someone other than you or your spouse will be picking up your child, please make sure to write their name on the sign-in sheet and let a teacher or paid worker know.
- Just a reminder with cold and flu season going on, your little ones need to be fever free for at least 24 hours before they return to their class. We don't want to share our germs with our friends.
