

July

Preschool Dept. Announcements

- Praise God! We had a very successful VBS. The kiddos had a lot of fun learning about Daniel and they are still singing the songs.
- We now have 6 paid workers, which is a huge blessing! We are still looking for one more paid worker to work with the pre-k class during Worship Through Caring.
- We have promoted several children from Bears to Monkeys and from Monkeys to Tigers. The transition is going well and seems to have made the classes a little more even. We will have our annual promotion for the pre-k and kindergarten classes on August 26.
- On Wednesday nights beginning on July 11 and going through August 22 we will be doing something a little different with the Preschool Department. Because of the ESL and Soccer Academy we have had a large number of children in the Preschool Department. We want to make the most of the time that we have with the kiddos and not just have free play for 2 hours. With your help, we would like to do a structured rotation where the children will have the opportunity to go to a craft time, music time, snack time, and also hear a Bible story. In order to make the most of the resources we have we will be using the material that we have from this year's VBS. In order to make this possible we will need your help. If you are able to volunteer from 6-8pm on Wednesday nights, please see Melissa.
- The one-year rotation for Worship Through Caring will be coming to a close at the end of August, and in September we will be starting a new rotation for the next year. Melissa will have the new sign-up sheet available now, for people to begin signing up. If you're currently on the list and you would like to sign-up again, we would love to have you back. If you are not currently on the rotation and you think this might be an area you would like to serve, we would love to have you join us. We will need lots and lots of volunteers. Last year we had 75 volunteers; this year let's see if we can get 100! With our growing number of children, we need a growing number of volunteers.

A couple reminders:

- Please remember to sign your child in on the sign-in sheet each Sunday and sign them out when you pick them up. Also check and make sure all your information is correct on the sheet, and let us know if there are any corrections that need to be made. This helps us keep better track of each child.
- Just a reminder, your little ones need to be fever free for at least 24 hours before they return to their class. We don't want to share our germs with our friends.
