Preschool Dept. Announcements

- Praise God! We have hired a new worker in the Lambs Class! Her name is Deborah Staine and she is doing a fantastic job! Stop by and introduce yourself and make her feel welcome. She loves the little ones, and she has lots of ideas of fun activities to do with them to teach them about Jesus.
- We are still looking for one more paid worker to work with the pre-K Class during Worship Through Caring.
- After closer examination of each Class set-up, we are not going to be adding another Class at this time. When looking more closely at the ages of the kids in each Class, the majority of our bulk falls in the two-year old age group and there is not an efficient way to divide them. In order to help some of the crowdedness, we will be promoting a few of the older children in the Bears Class up to the Monkeys Class. We will also be promoting some of the children in the Monkeys Class up to the Tigers Class since currently the Tigers Class is our smallest. The Monkeys that will be promoting will be the ones that would be promoting to Tigers in the fall anyway; we will just be promoting them a few months early. The rest of the children will be promoted to their appropriate classes in September. Hopefully these small shifts will help. We will be watching carefully and if we need to re-evaluate the Class set-up in September that is always an option. If you have any questions feel free to talk to Melissa.
- The one-year rotation for Worship Through Caring will be coming to a close at the end of August, and in September we will be starting a new rotation for the next year. Melissa will have the new sign-up sheet available now, for people to begin signing up. If you're currently on the list and you would like to sign-up again, we would love to have you back. If you are not currently on the rotation and you think this might be an area you would like to serve, we would love to have you join us. We will need lots and lots of volunteers. Last year we had 75 volunteers; this year let's see if we can get 100! With our growing number of children, we need a growing number of volunteers.

A couple reminders:

- Please remember to sign your child in on the sign-in sheet each Sunday and sign them out when you pick them up. Also check and make sure all your information is correct on the sheet, and let us know if there are any corrections that need to be made. This helps us keep better track of each child.
- We have had a lot of little viruses going around recently. Just a reminder, your little ones need to be fever free for at least 24 hours before they return to their class. We don't want to share our germs with our friends.
