Imagine No Malaria Initiative of General Board of Global Missions

In Sub-Saharan Africa, malaria continues to kill one person every 60 seconds. But there is hope! Imagine No Malaria is part of a global partnership. Together with our partners, our generation can beat malaria once and for all.

Paplaka United Methodist Church, Latvia

Methodism was revived in Latvia in 1992 after the fall of communism, and today there are twelve thriving congregations. These newer congregations strive to restore the Christian faith in a land where worship was forbidden for many years. WUMC is partnering with the rural church of Paplaka, an active and growing congregation. Pastor Inese Budnika is the pastor and is also the superintendent of nearby Camp Wesley.

Hastings UMC, Sierra Leone

WUMC is a new partner to this small, rural church in western Sierra Leone. A team of four teachers, three pastors and one mental health counselor established this church, which is also a school. Building is still under construction. WUMC’s covenant missionaries Kip and Nancy Robinson, have worked at this location.
