## Summer is Here!

This season affords us ways to connect with others, with ourselves, with God's creation , and with God - ways of connecting that are different from the rest of the year. In this issue of the Network, you'll find details about some ways of connecting that you might enjoy, and that you may find you really need.

**Worship at Gillson Beach:**

There's something special about worshipping by the water with your feet in the sand. (details on page 2)

**Bike to Worship:**

3 Sundays this summer, ditch the car and enjoy a leisurely ride to church. It's good for our bodies and for the environment. (details on page 2)

**Special Music:**

Is the rest of the year too busy for you to enjoy using your musical gifts? Can't commit to singing in the choir all year? Consider offering to provide special music during a worship service this summer. (details on page 3)

**Adult Socials:**

There are many fun things going on around our community this summer. Let's enjoy these together! Our first will be an ABBA Tribute concert at the Wallace Bowl in Gillson Park. (details on page 2)

**Summer Night Live:**

Wednesdays in June - can there ever be too many picnics outside in the summer? We'll have one each Wednesday in June, with games and activities for all ages and music (The Lonesome Theologians bluegrass group will be playing on June 26). (details on page 8)

**Chicago Hunger Walk:**

June 29, starting at Soldier Field - join your church in walking to raise awareness and funds for ending hunger in Cook County. (details on page 2)

May God bless you with rest, renewal, and connection this summer!

# Summer Opportunities at WCC

## Summer worship hours begin June 2.

The time of our Sunday worship services will change to 9:30 a.m., beginning June 2 and continuing through September 1.

On **June 2**, the morning service will be followed immediately by the **All-Church picnic**, held out on the front lawn of the church. Food will be provided, but please bring chairs or blankets to sit on. Games will be organized for the children, so plan to stay for this time of fun and fellowship.

## Beach services begin June 16.

For a special summer experience, join us at the beach at Gillson Park, Wilmette, for early morning (8:00 a.m.) beach services on Sundays, June 16, July 28, and August 25.

The service in August will include an opportunity for baptism in the lake. Please talk to one of the pastors if you are interested.

## Bike to Church Days

**June 23, July 21, August 11**

Once a month this summer, you are invited to bike to church, and then stick around after the worship service for a biking excursion. Each Sunday afternoon we'll have a destination, which will include a lunch stop. The destination will take into consideration the skill levels of those present and there will also be opportunities to extend the ride for those avid cyclists among us. Embrace "dressing down" on these mornings and spend some time outside together! This is open to many skill levels - jr. high and high school students, biking enthusiasts and experts!

Contact Pastor Christy with any questions.

## Winnetka Covenant Softball Season is here!

Winnetka Covenant softball team is looking for players and fans. WCC participates in the Chicago Northside Covenant Church softball league and our season has begun. All of the games are played at Winnemac Park in Chicago, just behind Amundsen High School, at Foster and Damen Avenues. There is plenty of off-street parking in the school parking lot. Games are on Tuesday and Thursday evenings - watch the bulletins each week or check the church website for the schedule.

The teams are coed, so we welcome both male and female players. If you are interested in playing, please contact Jonathan Fogel.

Not interested in playing? We can always use fans to come and cheer on the team!

## Calling all adults for summer fun!

What are you doing on Friday, June 21?? Come join up with your church friends for a night of fun and fellowship! Make your way to Wallace Bowl at Gillson Park in Wilmette for a free "Tribute to ABBA" concert! Bring a picnic, your favorite lawn chair and join us at 7:00 p.m. for a great night! Contact Meg Madvig with any questions.

## Save the date to join the Walk to End Hunger!

Plan to walk, or raise funds and awareness to end hunger in Cook County.

Visit the Winnetka Covenant Church website or call the church office to sign up to walk with our group and/or to make a donation.

### One community, one belief: No one should go hungry.

28th Annual Hunger Walk

June 29, 2013

Soldier Field, Chicago

Registration, 7:00 a.m. | Step-off 8:30 a.m.

This 5k (3.1 mile) Hunger Walk benefits more than 650 pantries, soup kitchens, and shelters in Cook County that count on food from the Greater Chicago Food Depository's network to feed the hungry. Everyone who walks earns food for the pantry or soup kitchen they support. We will walk as a group to support The North Park Friendship Center food pantry, A Just Harvest Community Kitchen, and Cornerstone Community Center.

So, save the date! The need is great! Join us in making a difference!

Questions? Contact Marcia Jimenez.

# Music Notes

How thankful I am for the seasonal changes of Spring ... daily, if not hourly!

Ah! (sigh) seems to be the universal response anticipating summer. How we relish the opportunity to relax - visit loved ones - kids have camps - eating outdoors.

Worship continues (note summer early start and beach offerings monthly). Musically, we're wide open - lots of opportunities still open from mid-June through August. I welcome your interests. Let me know of musical friends and family visiting.

June 9 - calling all MEN (rehearse 9 a.m.) for an easy arrangement of "Thy Holy Wings" by William Miller.

June 23 - likewise, all WOMEN who want to sing a fun 2-part "Glory to God" for treble voices by Alan Pote.

Make worship a focus of your summer and when out of town, take the opportunity to visit church wherever you are.

"Let the whole creation sing,"

*Dawn*

## Stock gifts

After hearing of a substantial stock contribution to Winnetka Covenant Church, I learned that there can be real tax benefits to the tax-savvy charitable giver. My two main discoveries are: (1) WCC can accept stock donations and (2) contributions of long-term, appreciated stock (owned more than a year) may provide greater benefits to both the donor and the church than donating cash. By donating appreciated stocks with a capital gain, both the donor and the recipient will benefit more by donating the stock, instead of selling it and donating the cash. A donor's tax benefits from the donation can be maximized.

If the stock has **increased** in value since it was acquired, then the donor may be better off from a tax standpoint by donating the stock to WCC instead of selling it. In this way, a donor may avoid the capital-gain tax on the profit. This tax planning and donation tool is derived from the general rule that the deduction for a donation of property to charity is equal to the fair market value of the donated property. Where the donated property has appreciated, the donor usually does not have to recognize the gain on the donated property. These rules allow for the "doubling" tax benefits: a charitable deduction, plus avoiding tax on the appreciation in value of the donated property. While WCC "appreciates" any donation, if a stock **decreased** in value, though, it is usually better to sell the depreciated stock so a donor can deduct the capital loss.

It is not illegal or immoral for donors to arrange affairs to comply with the law and keep taxes as low as possible while providing WCC with a larger contribution to support our missions. In considering the contribution of appreciated stock, a donor should ensure that the shares have been held for more than one year and qualify for the "qualified appreciated (cont'd, pg 5)

## Local Missions

### A Just Harvest: 30th Anniversary & Bake Sale

A Just Harvest is celebrating the fact that we've sustained a place of nourishment, hope, and community for three decades in partnership with Winnetka Covenant Church and many others. In 1983, two congregations came together to serve a weekly meal, and last year we served 54,339 meals and distributed 296,000 pounds of food. That is something to celebrate! Save Saturday, July 20, from 11 a.m. to 1 p.m. for a community celebration of our work to alleviate hunger. Join us for family-friendly games, music, food, and more. (In Rogers Park, exact location TBA).

Do you like to bake? A Just Harvest invites you to host a bake sale to benefit our Community Kitchen during the weekend of July 12-14. Our goal is to have 30 bake sales to celebrate our 30th anniversary and raise awareness and money to support our anti-hunger work. You can sell baked goods in your neighborhood, school, congregation, or community organization. It's a great activity for youth seeking a service project, families with children, or anyone who likes to bake for a good cause. We'll give you a template flyer to promote your bake sale and information about A Just Harvest to distribute at your sale. Contact David at A Just Harvest to sign up.

stock" deduction. Check the contribution first with a tax professional for information on any contribution limitations.

WCC is set up to handle a stock gift and can accept and then sell stock or mutual funds. If you wish to inquire about donating stock, please contact John Couleur, who can then make arrangements to coordinate the transfer of donated stock from most brokerage accounts. While the spirit of giving is key, a donation of appreciated stock can further benefit both the church and the donor, who can take advantage of both tax savings of the donation and avoiding tax on capital gains.

Dear Friends,

Again we wish to express our appreciation for our Winnetka Covenant Church. We appreciated greatly your love, concern and prayers during Dorothy's recent hospitalization. The ministry of our pastoral staff was greatly appreciated by us. On one occasion Peter brought a beautiful Easter lily. Each day a new bud opened and I shared the fragrance and beauty of the flower with the nursing staff. For your love, concern, and prayer we are deeply grateful.

## Playground Project

Plans for the refurbishment and expansion of the church playground were presented to the congregation at the spring business meeting and the committee is now in the process of seeking permits and finalizing contracts to begin the work. Donations to the project are being sought and can be given as a one-time gift or as a pledge, to be completed over a three-year period. This is an exciting project which will utilize and enhance an area of the church grounds which is very seldom used.
