## MINISTER'S THOUGHTS

Two weeks from this morning will mark our first-ever Harvest Sunday in which 100% of the offering contributed on that day will fund our mission endeavors for 2010. The goal set before us is \$100,000 (or 8 times your family's typical Sunday offering).

Some have asked, "Do we make two contribution checks for that Sunday – one for the regular contribution and one for the special contribution?" The answer is no! This year, our church budget was developed on the basis of 51 weeks' of contribution. That 52<sup>nd</sup> week (Sunday, December 6<sup>th</sup>) was not factored in to the budget to allow 100% of that day's offering to go toward funding mission projects.

All funds contributed and promise cards received will be added together. For those who fill out promise cards, which are located on the Welcome Center, you will have until the final Sunday in November of 2010 to fulfill your promise.

The goal is ambitious! The opportunity is overwhelming! But our Father is able to do more than we could ask or imagine! I'm praying that each family will dig deep so that our goal will look less sizable after you give. As one family, united in faith, hope, and love, our special offering on December 6<sup>th</sup> will allow us to be part of God's grand plan to win the world for Christ, beginning at home!

I Love You all,

Jim
