TIM TALK

The following was written by Larry Acuff, a friend of mine who preaches in Lithia Springs, GA. It serves as a good reminder that God can use us, no matter the shape in which he finds us. Until we meet again...TWP

God Uses Broken Things

If something is broken, we generally discard it. However, God uses broken things to accomplish his purposes.

God used broken pitchers (Judges 7). Gideon conquered the Midianites by putting their lamps within pitchers; at his direction, the soldiers broke their pitchers and revealed the light, which greatly confused the Midianites, and they were defeated. The light of truth is often hidden by error, and it is when the error is broken that the light is revealed.

God used broken tables of stone (Exodus 32). Aaron had erected the golden calf because Moses had been gone and the people thought they had been abandoned. When Moses came down off the mountain and saw what was happening, he cast the tables out of his hands and broke them (Ex. 32.19). He then took the golden calf, burned it in the fire, and ground it to powder. Next, he put it in the water supply and made the people drink it (32.20). We must get rid of the world from our lives.

God used a broken alabaster box (Mark 14). "And she broke the box and poured it on his head" (14.3). With this, the woman did what she could; we also must do what we can.

God used the broken body of Jesus (Matthew 26). When he instituted the Lord's Supper, Jesus took bread, broke and blessed it. Paul later wrote that Jesus said, "Take, eat; this is my body which is broken for you" (1 Corinthians 11.24).

God used the broken heart of David (Psalm 51). We must have a broken heart over our sin. David said, "A broken and contrite heart, O God, you will not despise" (Psalm 51.17).

Yes, God uses broken things. Perhaps your life has been broken by sin. Unlike Humpty Dumpty and the king's horses and men, God can put it back together again.
