PRAYER REQUESTS

Coming forward Sunday:

Rodessa Jones— I passed all my finals with a “C” praise God. Please keep me in your prayers this month in June. I will be having a series of test going on, lab work, and etc. I’m a little afraid, very intense, trying to find the problem, so keep me in your prayers.

Steve & Hilda Stoll— Please continue prayers for our family and son, Shane.

Adrian & Jessica Pacheco— Please pray for Michael, he is leaving to Arizona, please pray for him that God’s will be done for Michael and also pray for Ismael that God guides him closer to him and for me that I do God’s will.

Larry Cooley— Prayer for my mom and daughter that things happen for the best and watch over them as you have done all of my life. Be with my family as they come back from their trip. Amen, love you Lord.

Bonnie Farris—Thank you for your prayers. I soooo appreciate them.

Billie Tucker— Please keep **Norma Kennedy** in your prayers, also **Margaret Bitters and Nina Hamett**.

Mark Latham— Please pray for my cousin, John Atkins. His doctor told him he had cancer throughout his body. Pray that the Lord touches him and helps him make the right decisions.

Jeanetha Henderson— I am so happy to be back amongst my sisters and brothers. God is love. Thanks for all prayers. My mom is gone in peace with God. And God has blessed my daughter, Tyra with a speedy recovery from her heart surgery. I am blessed and full of joy. Jehovah may your will be done in my life for the rest of my days. I love you Jesus.

Roy Hightower— I am in the House in the Rock now, I am not homeless anymore. I feel that is where God wanted me all this time, it feels so good to have a home and a place to stay. Thank you for all your prayers and support.

Arnold & Lorrie Centeno— Thank you for all the love and support you continually show to me and my family. Love you all.

LaTatianna Rowe— Please pray for my mom. She is finally starting to change, I pray that she comes back to church.

Samantha Medina— Thank you to the Lord for all my hardships and trials for without them I would not be who I am today. Please pray for my family.

Linda Miranda— Prayers for my Aunt Josie Medoza for healing and recovery from an acute illness.

Ruben & Alice Tostado— Pray for our sister Josie Mendoza. She has problems with her heart, she had to spend a few days in the hospital.

Kennedy Family—Wilma has been experiencing a great deal of pain from an infection in her leg. Even though she has had IV antibiotics, the infection remains and is getting worse. After consultation with her doctors on Tuesday, the decision has been made by the family not to proceed with the amputation of her leg. Hospice care will begin as soon as possible. Please pray for Wilma and her family at this time. We appreciate all the calls, visits and concern so many of you have shown.
