New Members

Tim, Juliet & Bailey Douglas

The Douglas family is excited to see how God is planning to use them at Woodward Park. For the last 18 years they have worshipped and served with the congregation in Sanger. Recently the Douglas' felt compelled to make a change and associate themselves with a congregation in the community where they live and work. Tim, a native of Clovis, met Juliet, a native of Denver, at Harding University and they have been married for 19 years. Since moving back to California Tim has worked as a teacher at Clovis High School teaching Government and Economics as well as coaching a variety of sports primarily softball. Juliet is also a teacher in Clovis spending the last 4 years at Freedom Elementary School teaching 2nd grade. Bailey was born in 1999 and will be entering the 7th grade this fall at Clark Intermediate School. Tim enjoys hunting, fishing, reading and running. Juliet also enjoys exercising and reading as well as cooking and scrap booking. Bailey is active in choir, drama and cross-country at school and is learning how to play the guitar. The Douglas' like to travel together taking their trailer to the mountains or the coast.

Please be in prayer for our College-Age young men and women this weekend. There will be 30 of us on a retreat at the coast.
