## Message from Tim Parish

It is difficult to find the words to express to you our feelings after spending the last week with you. We are indeed blessed and our lives will never be the same because we have had the privilege of getting to know you, worshiping with you, learning about Woodward Park and Fresno. One of the things you have done for us is you have changed the way we think about California and its residents. We were so pleasantly surprised to experience Southern hospitality on the West Coast. It was also refreshing to see so many people committed to living for the Lord in a place that most folks east of the Mississippi think of as a Godless land. We have been so warmly received, not only by members of the church, but by everyone in Fresno with whom we had any contact.

All this is possible because we are a part of what Paul calls the “household of God, which is the church of the living God” (1 Timothy 3.15). The bond we share because of the blood of Jesus really does “bind us together with cords that cannot be broken.” We are so grateful for the opportunity to have been hosted by your family. You shared your teens with us at YBC, you shared fellowship with us (Friday afternoon and night, Sunday evening and Wednesday night), and you definitely made us feel at home. I can see that God is doing big things with you, through you and among you.

I can see in you hearts that are reaching up to the Lord and reaching out with the love of Christ. I do not know what the future holds for us – only God does – but I am confident that wherever God leads us Woodward Park will have a long future of being a shining light in the valley. Whether God wills for us to be here with you or somewhere entirely different, Dana and I are eternally grateful for the opportunity to be with you for this week!

Until we meet again...TWP
