Dear brothers and sisters:

Thank you so very much for the kind, warm and exceptional reception you gave me at the Spiritual Growth Workshop. It was an honor in every way to be a part of it. I have heard of the church there for a number of years but to experience the unique spirit of the brethren there was indeed a blessing. The church there has so many signs that point to it being a healthy body. That is the responsibility of every member from elder to newest believer - you are to be commended. Never lose heart!

I appreciate the kind comments about the lessons delivered. I appreciate the warmth of the members who were assigned to greet as well as the many who just went out of their way to be nice and speak. It was a joy in every way.

Thank you for the invitation. I wish you every good grace of God into the future. If I may ever be of service to you, please do not hesitate to contact me. In His Care, Dale Jenkins
