Slow Down Therapy

1. Slow down; God is still in heaven. You are not responsible for doing it all yourself, right now.
2. Remember a happy, peaceful time in your past. Rest there.
3. Don't take simple things for granted: watch water flow, corn grow, leaves blow and your neighbor mow.
4. Taste your food. God gives it to delight as well as to nourish.
5. Notice the sun and the moon as they rise and set. They are remarkable for their steady pattern of movement, not their speed.
6. Talk and play with children. It will bring out the unhurried little person inside you.
7. Divide big jobs into little jobs. God took six days to create the universe.
8. Take time to read the Bible. Thoughtful reading is enriched reading.
9. Allow yourself time to be unproductive. Rest is a necessity, too.
10. Count your friends. If you have one true friend, you are unusual. If you have more, you are blessed. Bless them in return.
