Dear Woodward Park Church of Christ,
Thank you so much for your donation to Harding University's 2013 mission trip to Stockton, CA. Because of your generosity, we were able to raise all of the money we needed for food and transportation. We even had some extra that we could spend on supplies for St Mary's Dining Room, which consists of not only a dining hall, but also a medical clinic, dental clinic and clothing and hygiene center for the homeless and the working poor.

Besides serving the community, we learned so many valuable lessons during our mission trip. God Bless,
Elizabeth Valerie

Please be Aware of NEW PrimeTime Schedule:

Old Timers Are Welcome

Old timers are welcome. What was once a place for the 20-somethings to post mundane things of the present has become a meeting place for reminiscing. It is called Facebook. Someone can post a picture of some relic from the past and then invite people to "like" it if they can identify the object. It could be anything from a church key to a key that opened a can of spam to a roller skate key to a crown cork.

Growing older has caused me to realize the important role that nostalgia plays in our lives. It stimulates fond memories and forgotten details of the past. But most importantly it unites us all together under the umbrella of the reality of pervasive and persistent change.

To reminisce about our spiritual life is good also. Do you remember what it was like to live with a heart that was broken? Do you remember the days of recklessness and regret? Can you recall staring at a blank screen and wondering if your work actually makes a difference? Thank God those days are gone. Thank God for the grace God gives to us in Jesus Christ.

To reminisce helps us to be more aware of our blessings. Looking back on the places God has brought us from spurs us to appreciate the reality we now enjoy. The old has gone. The new has come for all those who cling to His cross. You are not at all what you once were. Reminisce and celebrate that truth. (2 Cor. 5: 17)

Maria Diaz

Hi, My name is Maria Angelina Diaz. I am 37 years old. A single parent and a mother of 4 children. My 3 boys live in Porterville and God blessed me with Anita, she is 19 months old. One reason I ended up here was because of drug use and God knew I needed help so he sent me Angel Carrillo. She shared Jesus Christ with me and I was baptized which I thank Cesar Gamez for. I celebrate a year of recovery. God is good!!! I love being a new me, in a new family, and having a new life. Thanks to all.
