Virginia Garcia— Thank you Lord for always listening and keeping me safe. I love listening and learning about your word. I hope everyone can always try to look for the good things in life and don't let all the bad stuff get them down. Smile everyone because God is watching over you and he loves all of us.

Frederick Goodrich— Thanks to the people who provided the food for the men at the House on the Rock last week. We are so very grateful.

Are You Still Reading?

The Book of Acts is an important book for us to read. One former elder here at Woodward Park church of Christ, (whose name shall remain secret but whose initials are Al Lehnick,) recently reminded me that the Book of Acts is a "Road Map" for the church today.

If you have been reading a chapter a day, as we walk through this book on Sunday mornings, then you are beginning to get the idea that brother Lehnick is right. If we do exactly what the first century church did, in worship, preaching, evangelizing and proclaiming Jesus as Lord, then the world we live in will be turned upside down.

I am providing "mini outlines" of each chapter as we read the book. You can access these outlines through Facebook or email me and I will send them to you (jebjr8850@comcast.net or joeboe@wpcoc.com). If you do not have access to a computer or the internet, I will print them out for you. Just call me at 970-9910 cell or 431-8277 home.

Most important is your daily walk with God, which must include reading His word. Whether you follow along with us through Acts or have your own reading schedule is not important. God wants to communicate with you and His word is sufficient to let us to know what he desires from us. Read II Peter 1:2-3 and you will find that God has provided "... everything for life and godliness through the true knowledge..."

Adam and Eve walked and talked with God in the garden each evening. God has always desired to communicate with His children. The Word was designed to help us in our daily walk with the Almighty Creator, God of heaven and earth. So, walk with Him today and begin your daily exercise with God by simply reading a chapter a day.

I will meet you in Acts chapter 3 next Sunday morning.

God Bless
Joe Boe
