True Love and Home Grown Tomatoes

Jackie Gleason was famous for saying, "How sweet it is!" I would like to say the same concerning our family here at Woodward Park. Sunday morning our own Matt Phillips stepped to the podium and delivered a great lesson from 1 Peter 2:9, 10. He reminded us from scripture just exactly who we are, the "chosen, royal priesthood and a people for God's own possession." We were challenged to remember our God given objective in life to "...proclaim the excellencies of Him..." Matt reminded us that we are a family devoted to God's love and commission. Matt is married to our daughter Brooke Lovelace-Phillips and is the father of our own three daughters Landyn, Lacey and Layne. Then, Sunday night Thien Dang, our own son and husband of our own daughter Amanda Sharpton-Dang also stepped up to the podium and again one of our own delivered a lesson that charged us to remember our identity in Christ. Thien was profound in telling the story of his life in Christ at Woodward Park church of Christ. He thanked many who had impacted his life and how the influences of this congregation moved him to a greater desire to serve our living Lord. He and Amanda are in ministry training at Harding University. Both of these young men and their families are the products of this loving, accepting and challenging congregation. We need to thank our God in heaven for allowing us to have an impact on our sons and daughters. These two families, and many others, have been touched and moved by the continual loving handprints of the families which make up this congregation. We are a family...period. We are made up of many types, colors and languages but are motivated by only one type of Love...family love. We exhibit the type of family love given and shown to us by our "Father" in heaven and his son, our brother. We are not perfect but, the product of God living in us and through us were on display this past Sunday and "How sweet it is!"

Guy Clark is credited with the lyrics to the song "Love and Home Grown Tomatoes" One of the lines in the song goes like this:

"Only two things that money can't buy that's true love & homegrown tomatoes." I believe with all my heart that Woodward Park church of Christ is the home of true "Christian" love and the product of that love is true disciples who keep growing and shining as a "light on a hill" in this sin darkened world. Matt and Brooke along with Thien and Amanda are just two examples of Woodward Park's investment in our sons and daughters. You have done well Woodward Park family! Keep growing them like that and we will eventually fill our brotherhood with our own "home Grown" ministers. And, you couldn't buy that with all the money in the world! "How sweet it is!"

God Bless
Joe Boe
