Note from the Elders to the Church Family,

We truly appreciate your caring generosity to those in need. As you know, we have a system in place by which we evaluate and help members and others as their needs arise.

Occasionally there are people attending our services that ask for financial help from our individual members. We ask that you please refer them to Ken Perry or Jim Minor rather than giving them money.

We do not want our church members taken advantage of and if the need is sincere, we will make the best use of the Lord's funds. Thank you.

Your prayers are requested as we go through the process to renew our visas to stay in the United States another year. Thank you.

Jane Hoffman

I moved to Fresno about 20 years ago and finally found a church home here. What a wonderful thought!!! After attending many different churches this one feels like home.

JD and Norma Nix have led me to the path of knowledge. I look forward to the bible study sessions I the coming weeks. As I was asked to write about myself I thought "What could I say?" I don't feel important enough to elaborate much, but there are some points in my life that I am proud of. I have an accounting business which keeps me busy at times but I am always looking for new clients. I am a graduate of CSUF, a past member of Beta Sigma Phi, Beta Alpha Psi, and past board member of Fresno Arts Council. I held many positions within these organizations and loved the interaction that allowed me to grow. I enjoy traveling, swimming, and love to read.

Thank you for being so kind during the unexpected tragedy in our lives. Thank you for allowing us to use the building for the beautiful memorial for Sonya. You blessed the family with preparing and serving us food, which was a great stressor removed from the family. We really appreciate all the support we received by preparing the food and serving the families, the beautiful cards we received, and the attendance of Sonya's memorial. God bless you.

Love,
Salter/Whitten Family

Be in prayer for the safety and spiritual growth of our young campers at YBC this week on "God's Mountain".
