Two Minute Ministry Moments

I know you noticed the Power Point presentation last Sunday morning right after the collection. The purpose of the presentation was to inform you of the wide variety of wonderful works with which you are involved here at Woodward Park. These presentations will be shown each Sunday morning right after the collection. We do not want to take away from our regular worship schedule therefore this time and format has been chosen. We want to highlight both the local outreach ministries and foreign missions with these two-minute presentations.

Our "Vision Statement" includes the words; "...win the world for Jesus Christ." The information you will be seeing on Sunday morning is the work of many brothers and sisters in the Kingdom of God both at home and worldwide. We want you to know about the works "you" are supporting and are constantly praying about. We are making a concentrated effort to reach the thousands in our own backyard as well as hundreds of thousands worldwide.

We have taken the words of Jesus from Acts 1:8 were Jesus stated to the apostles "...you will be my witnesses in Jerusalem, and in all Judea and Samaria, and even to the remotest part of the earth." Taking our cue from this passage we are ..."starting at home and taking the world for Jesus." These short Power Point presentations will highlight one effort each week.

What can you do with this information? First, pray about it privately and then with your family. Get your family interested in these works. The mission work, both local and foreign, of the Woodward Park church of Christ is your work. You will be blessed, your family will be encouraged, and the work will grow and lost souls will hear the Gospel of Jesus Christ.

God Bless

Joe Boe
