To our Woodward Park family,

Greetings from Arkansas! We miss you all so much! Thank you so much for the expressions of extraordinary care for us through the cards we've received. We have received over 100 cards expressing your love and concern for us and each has become a treasured gift for us. Your genuine concern has been a source of healing and help for our family.

Still, our sabbatical has not been without some crises. Mandy has contracted pneumonia and Trae fell during VBS at my parents' home church and broke her arm. We've certainly experienced an overwhelming amount of health trouble in the last month, but gratefully, we have a family in you to love us and care for us. Your concern and prayers have provided great strength for us.

We are anxious to return home and I am especially excited about preaching again at Woodward Park. The elders have been so gracious in allowing us an extended time away to recover and heal. Till we meet again, please keep us in your prayers as we remember in prayer you every day!

In His Love,

Jim, Mandy, Trae and Tori
