TIM TALK

We are so excited to be here in Fresno living and working with the Woodward Park family! There is so much for us to see and to learn, but what we have seen so far gives us much hope about our work together for the Lord. I need to say "Thank you" to several people:

Thank you to the elders for expressing their confidence in us by bringing us here to work with you. Thank you to Andy, Ashley, Matt, Colton, Cody, Tom, Mickey, Stephen, Tylor, Ron, and Dave for showing up Thursday morning to help us unload our moving truck. The process of getting all those boxes into the house and garage was made much easier by all those helping hands.

Thank you to all who have signed up to welcome us into your homes. We have enjoyed those we have fellowshiped with so far and are very anxious to get to know you better.

And to all those who have hugged us, shaken hands with us, who have done those small things to make us feel at home, THANK YOU!
We are excited to see what God has in store for us. He will accomplish His will for you, and we pray that He will use us to our fullest potential in that.

Until we meet again...TWP
