

**WORD OF GOD ACADEMY**  
GRADING FOR ACCELERATED READER  
ELEMENTARY GRADES

The Accelerated Reader (AR) chart below for 2013 is below. Grading for AR shall be based on the following points. A classroom reward system for achieving personal goals is also encouraged, but all students shall receive a grade for AR based on the following required points. The grade will be no more than 50 points of a major test. There is also an optional yearly goal set for the students with a field trip as reward to encourage students to read more than the required points. These points are based on a student reading approximately 35 minutes per day. Students have additional reading through the Required Christian Reading Program. Once a student reaches their goal, they will be able to read books on any level based on the student's interest.
