

# Announcing Camp 252!

Word of Life is calling all kids ages 3 – 12! Come join us for a summer full of exciting fun at Camp 252! Luke 2:52 says “ Jesus grew in wisdom and stature, and in favor with God and man”, and that’s what we want for every child. We want to provide a place where kids grow spiritually, physically and mentally. You can sign up for just a few days or for the entire summer. We’re planning all kinds of fun and surprises. Please see the enclosed schedule for more details.

**Ages:** 3 – 12 years

**Time:** 8:45 a.m. – 3:00 p.m. (Before care and After care will be available upon request only. Please indicate on the form if this option is needed.)

**Cost:** \$31.00 per day (additional cost for before care and after care)

**Food:** We provide the snacks, you provide the lunch.

Our enrollment will be on a first-come first-serve basis, so sign up early. As limited space is available, camp days must be pre-paid monthly and at least one week’s notice must be given for changes to your child’s schedule. We are going to offer three super sessions each week and you will be able to pre-select which super session your child would like to participate in. They can stay with the same session for the entire week or sign up for different sessions each day that they attend. Due to the specific and age-appropriate needs of our preschool children, we will always offer a super session specifically designed for them. These classes may involve themes such as “Playdough Creations”, “Penguins and Polar Bears” or “African Safari”.

For our elementary age children (entering 1<sup>st</sup> grade or older), some of the super sessions that we may offer are Soccer, Cooking, Basketball, or Science. Since we will be spending a good amount of time outside, please make sure that your child is wearing comfortable clothing that they can run and play in and get a little messy (no flip-flops please).

# Typical Daily Schedule

Every day will look a little different, but here is a sample of what your child can expect this summer.

8:45 – 9:00 Welcome by staff in Playland

9:00 – 9:15 Opening Activities – Icebreakers, Intros and dividing into groups for a day full of fun.

9:15– 10:15 Super Session #1 – Selection based on child's interest – maybe Soccer, Cooking or Playdough Creations?

10:15-10:35 Snack and bathroom break

10:35 –11:35 Super Session #2 – Your child will continue the fun with part two of the morning session.

11:35 –11:40 Transition for lunch, half day campers prepare to leave

11:40 –12:10 Lunch recess

12:10 –12:45 Sack lunch (Brought from home and Peanut free!) We will be having outdoor picnics when the weather allows.

12:45 – 1:15 Story time (under 6 years old)  
Board Game Bonanza (6 years and older)

1:15 – 1:45 Relays and Races – The Sneaker Scramble, the Wacky Waiter, and the Bubble Brigade - All kinds of fast-paced fun!

1:45 – 2:15 Splash Zone – Water Limbo, Sprinkler Tag, and Boat Floats. If it has to do with water than it has to be fun! (Weather permitting)

2:15 – 2:45 Challenge Station – Games and contests sure to challenge every age Group -- Everyone's a winner!

2:45 – 3:00 Camp Recognitions and Closing

**Camp Descriptions – Pre-Kind Age (3 yr old through 5 yr old or entering Kindergarten)**

Our philosophy here at Word of Life is that summer is all about staying active and having fun. It is a great time to learn new things and to explore. We will have two types of super sessions depending on the age group your child fits into.

- These theme based sessions work in shorter blocks of time, specifically for this age. They will have the perfect mixture of crafts/activities, free play, and organized team games. It is the perfect way to get a little bit of everything! 😊

#### African Safari

We will take a peek at African animals, habitats, ecosystems and culture this week as we explore materials on loan from the Denver Zoo. We even get to see a real elephant tooth!

#### A Bug's Life

What can we learn about all types of insects this week as we explore materials on loan from the Denver Zoo?

#### Hawaiian Hulabaloo

Mahalo! This week will be packed with tropical fun in the sun. Let's see who wins the hula contest!

#### Ooey Gooney

It wouldn't be summer if we weren't getting messy, right?? Back by popular demand, we will be making all kinds of icky sticky fun.

#### Penguins and Polar Bears

With all this fun in the sun, we thought we would cool things down a little bit and enjoy the snow and ice. No one knows how to keep it cool like a penguin and a polar bear!

#### Playdough Creations

What kind of things can we make out of playdough? The sky's the limit this week as we create anything and everything that our minds can imagine.

#### Tropical Rainforest

We will explore the rainforest, habitats, ecosystems and culture this week as we explore materials on loan from the Denver Zoo.

## **Camp Descriptions - Elementary Age (6 yr old or entering first grade through 12 yr old)**

- Our teachers have so many interests and hobbies that they love to do in their free time, and they can't wait to share them with your children. The following are session descriptions that we will be offering throughout the summer. Each day, our older

elementary children will have two hour long sessions designed specifically around the theme that they signed up for.

### Art Camp

Our artists will use different types of mediums and techniques to create fabulous masterpieces. We will use God's world around us as inspiration!

### Baseball

Baseball Camps concentrate on teaching the basics of fielding, catching, throwing, hitting, and base running, as well as encouraging children to get into the spirit of the game. Participation in team sports helps build a child's self-esteem and reinforces positive interaction with adults and other children.

### Basketball Camp

Using the sport of basketball, this camp is designed to promote physical fitness, develop motor skills, improve self-confidence in kids, and create a fun atmosphere of learning. An action-packed team sport that's full of thrills. The focus is on ball handling, passing, shooting, defense, and rebounding. The goal is to have fun and learn the fundamentals of basketball. We will emphasize skill development and participation.

### Cheerleading

This camp introduces your child to the basics of cheerleading. All participants will learn a routine full of cheers, chants, dances, and few other surprises that will make you jump out of your seat!

### Cooking

Get ready to cook up some fun with these quick, easy, and delicious recipes. We will learn about kitchen safety, and food and meal preparation. Guess who's making dinner tonight!

### Cake Decorating

Have you always wanted to learn to decorate cakes like a pro? We will make our very own adorable creations by decorating our cupcakes with a variety of icing, fondant, toppings and sprinkles.

### Drama

Welcome to the stage as we let our creative imaginations run free. Drama is a wonderful way to build confidence, explore the use of voice and develop public speaking skills. We will be acting out many well known stories and fun fractured fairy tales.

### Photography

Learn how to create great pictures with this hands-on camp. We will combine classroom workshops with photo shoots in the field. Daily walking trips outside will provide you the

opportunity to create a variety of creative photo projects. Participants must bring their own digital camera.

### Pottery

Clay is a wonderful way to explore dimension and shape and to use our creative side! We will learn different ways to wedge, roll, coil, slab, paddle, pinch, cut and press clay to create fabulous works of art.

### Science

We will be conducting all kinds of crazy, fun and wild experiments during this camp. Prepare to be amazed as we make fascinating discoveries in the world of science.

### Soccer

Using the sport of soccer, this camp is designed to promote physical fitness, develop motor skills, improve self-confidence in kids, and create a fun atmosphere of learning. An action-packed team sport that's full of thrills. The focus is on ball handling, passing, shooting, and defense. The goal is to have fun and learn the fundamentals of soccer. We will emphasize skill development and participation.

### Volleyball

Bump, set, spike! This will be an action packed camp as we learn the fundamentals of volleyball. We will focus on passing, setting, serving and having an overall good time.

### Wearable Art

Wearable art is so much fun to make and wear. These crafts will include experimenting with tie-die, accessories and more. These projects will be perfect for both boys and girls alike.
