The CALL upon the CHURCH...

The CHARGE for the CHURCH...

The CHALLENGE to the CHURCH...

There is a call upon the church to identify a Champion Generation! Every child is different in design but identical in worth and all are called to be champions. The Bible says in Deut. 6:6-7a (TMB), "Write these commandments that I've given you today on your hearts. Get them inside of you and then get them inside your children..."

As the church, we must raise up the next generation of God's champions for today and tomorrow. What we invest into them now will determine who they are today and what will become of them in the future. If we want our children to succeed today and tomorrow, we must be a part of shaping their destiny right now.

Together, we can create the happiest place in Hawaii for children – a place where the next generation can be formed into God's champions, a place where we can promote their progress and joy in believing.

There is a challenge to the church to invest in a Champion Generation! As we challenge our children and youth to become a champion generation, we must accept the challenge to invest in them financially. Our financial support is a vital part of what we can do to champion the cause of raising up a Champion Generation!

Our Project: "RAISING CHAMPION GENERATIONS"
 Our Goal: \$650,000
 Period: June 10, 2012 - Dec. 9, 2012 (6 months)

Together, we can accomplish our goal to "Create the Happiest Place in Hawaii for Children" for our generation of champions, and build their future. The Bible states in Genesis 11:6 (AMP), "And the Lord said, Behold, they are one people and they have all one language; and this is only the beginning of what they will do, and now nothing they have imagined they can do will be impossible for them."
