Our Fees

Due to our reasonable rates, we do not accept or bill insurance companies. We can and will, however, provide receipts to be submitted to your insurance carriers.

For those unable to meet the full cost of counseling, a fee adjustment can be made in order to make services available to everyone. Clients are encouraged to discuss financial arrangements confidentially with their counselor or coach.

The Differences >>>
As a general rule, both Christian counseling and secular counseling share the same desire to help people overcome their problems, find meaning and joy in life, and become healthy and well-adjusted individuals, both mentally and emotionally.

As Christian counselors, our strategy is to help clients substitute biblical truth for error as they go about their day-to-day lives. Attention will be given to mental, emotional, and spiritual well-being.

We are with you every step of the way >>>
CrossWalk Counseling Ministries aspires to relieve suffering and promote healthy relationships through excellent and accessible services for Greene County and surrounding areas. These services will be provided without regard to creed, color or socio-economic status by competent, well-trained clinicians who strive to faithfully integrate biblical truths with principles of psychological health.
